

BROW2BROW L.L.C.

GENERAL CONSENT, LIABILITY AND PROCEDURE PERMIT FORM

For Clients

PLEASE READ THE FORM FULLY AND SIGN AT THE END

If you are unsure about a particular detail of the form, please speak to your therapist.

If an unforeseen condition arises in the course of microblading procedure, I authorize my therapist to use his/her professional judgment to decide what he/she feels is necessary under the given circumstances.

I accept the responsibility for determining the color, shape and position of the microblading procedure as agreed during consultation.

I understand that there is no guarantee of an allergic reaction not happening.

I fully understand and accept that non-toxic pigments are used during the procedure and that the results achieved may fade over a period of 1-3 years. Even once the color fades, pigment itself may stain in the skin indefinitely.

I have been informed that the highest standards of hygiene are met and that sterile, disposable needles and pigment containers are used for each individual client, procedure and visit.

I understand and accept that each procedure is a process requiring multiple applications of pigment to achieve desired results, and that 100% success cannot be guaranteed during the first procedure. I understand that I may have to return for repeated procedure.

The result of the procedure is determined by the following not; medication, skin characteristics (dry, oily, sun-damaged, thick or thin skin type), Personal pH balance of your skin, alcohol intake and smoking, post procedure after care.

Upon completion of the procedure there might be swelling and redness of the skin, which will subside with 1-4 days.

In some cases bruising may occur. You may resume your normal activities following the procedure, however, using cosmetics, excessive perspiration and exposure to the sun should be limited until the skin has fully healed. Please see after care card for more details. You can be assured that the procedure results will look acceptable for you to appear in public without additional make-up on the affected area.

I have been advised that the true color will be seen 1 month after each procedure, and that the pigment may carry according to skin tones, skin type, skin condition and age.

I understand that some skin types accept pigment more readily and no guarantee on exact color can be given.

To my knowledge I do not have any physical, mental or medical impairment or disability that might affect my well being

I agree to follow all pre-procedure and post-procedure instructions as provided and explained to me by the therapist.

I can confirm that I have received a copy of aftercare details

Being of sound mind and body, I hereby release any and all responsibility. I accept any and all responsibility myself for any consequences that might stem from my decision to have any permanent cosmetics procedure performed by brow2brow L.L.C.

For the purpose of documentation, record and use in portfolio, also consent to the taking of before and after imagery of my procedure. Brow2brow L.L.C may use this imagery on social media platforms owned and operated by them only.

I hereby release, forever discharge and agree to hold harmless brow2brow L.L.C. and any of its members thereof from any and all liability, claims or demands for personal injury, sickness or death, as well as property damage and expenses, of any nature whatsoever which may be incurred by the undersigned and anyone accompanying them during their visit and treatment. I agree to assume all risks and expenses due to injury that may occur as a result of the treatment and visit to brow2brow L.L.C.

I have been informed of the nature, risks, and possible complications and consequences of permanent skin pigmentation. I understand the permanent skin pigmentation procedure carries with it known and unknown complications and consequences associated with this type of cosmetic procedure, including but not limited to: infection, allergic reaction, scarring, inconsistent color, and spreading, fanning or fading of pigments. I understand the actual color of the pigment may be modified slightly, due to the tone and color of my skin. I fully understand this is a tattoo process and therefore not an exact science, but an art. I request the permanent skin pigmentation procedure(s), and accept the permanence of the procedure as well as the possible complications and consequences of the said procedure(s).

I CERTIFY THAT I HAVE READ AND FULLY UNDERSTOOD THE ABOVE CONSENT, LIABILITY AND PROCEDURE PERMIT; THAT THE EXPLANATIONS THERE IN REFERRED TO WERE MADE AND ACCEPT FULL RESPONSIBILITY FOR THESE AND OR OTHER COMPLICATIONS WHICH MAY ARISE OR RESULT DURING OR FOLLOWING THE MICROBLADING PROCEDURE. THE TREATMENT IS PERFORMED AT MY REQUEST ACCORDING TO THIS CONSENT, PRE-PROCEDURE FORM AND POST PROCEDURE GUIDELINES. I HEREBY AUTHORISE THERAPIST ZORANA TIPURIC TO PERFORM MICROBLADING PROCEDURE ON ME AT 18440 N 7st. #6 Phoenix, AZ, 85022.
